

# Cumberland YMCA

## Baltimore Ave. Apartments

### Flooring Project

#### Scope of Work

The Cumberland YMCA is seeking quotes from qualified companies to remove and replace the existing floor on the 3<sup>rd</sup> floor at the Baltimore Ave. Apartments located at 205 Baltimore Ave. Cumberland MD, 21502. We want to replace the existing VTC flooring with Next Floor Vinyl Plank flooring in the main hallways, day room, and kitchen. Pricing must be accompanied with basic information on materials proposed.

Work to be completed includes:

- Remove existing VTC flooring in the main hallways, day use room, and kitchen.
- Remove vinyl base trim.
- Repair and prep the floor for the new flooring per manufacturer's instructions.
- Install new Next Floor Vinyl Plank flooring per manufacturer's instructions.
- Install necessary transitions from main hallways into SRO rooms
- Install new vinyl trim. Owner to decide on color.
- Repair or replace any drywall, paint, or trim damaged by project.

Proposals to include all disposal fees and equipment rentals associated with the project as well as any permits that may be necessary. Proposals must be received by
